Linha COLORATA

Fabricamos cadeiras personalizadas, onde você pode escolher o modelo, o tipo da trama, as cores das fibras, e da estrutura, tornando a sua cadeira uma peça única. São infinitas as possibilidades.

Alex Cerello está presente há mais de 120 anos com seus móveis manufaturados em junco e fibras naturais. Agora lança a linha COLORATA, mais contemporânea, com possibilidade de ser fabricada inclusive para área externa. Você escolhe a estrutura em junco ou alumínio. Seguem algumas cadeiras que já fabricamos.
